RE: Powell Road Landfill, OH

Dear Mr. Leininger:

This letter is in response to your inquiries concerning the delinquent notices dated November 5, 1990, and the current status of this account.

The delinquent notices were prepared when the account receivables were not satisfied within the billing terms. This period began with the certified receipt of the billings and terminated sixty calendar days hence. When payment was not received, interest was then assessed on the outstanding balance from the date of receipt to the delinquent notice date.

Applying the above to this account, Invoice 9T668 for \$70,755.57 was received August 18, 1990, and was due October 16, 1990; Invoice 0T118 for \$135,834.68 was received August 27, 1990, and was due October 25, 1990.

Your remittance was incorrectly mailed to our location on October 29, 1990 and forwarded to the correct address as stated on the billing letters for deposit on November 2, 1990. Copies of these documents are attached for your convenience and review.

The enclosed revised delinquent billings include the payment and summarizes the current status of the account. Please disregard the delinquent billings dated November 5, 1990, that were inadvertently prepared omitting the payment; and I regret any inconvenience this may have caused.

If you have any questions regarding this matter, your inquiry should be directed to Michael Hughes at (312) 353-6268.

Sincerely yours,

Ivars P. Antens
